SHARE YOUR SOLES

Salem's High School youth are asking everyone to [give up a pair of shoes for Lent](#).

Since **Share Your Soles** is in desperate need of donations right now we are setting a goal of 1000 pairs of shoes from our congregation. This would be nearly 1 pair from every member. Any type of shoes or boots, toddler through adult will be washed and sent out to countries with the greatest need. Boxes for donations will be located in the Welcome Center. The students will deliver the shoes and spend the day volunteering at **Share Your Soles** after Easter.

Share Your Soles <http://www.shareyoursoles.org> is a non-profit organization located in Alsip. Their mission is simple: To provide gently worn shoes to those in greatest need around the world. The shoes they give to the needy may be the only pair ever received in their lives. In January they donated 40 cases of shoes to Haiti, and 4000 more pairs are on there way.

Collection dates at Salem through Easter Sunday, April 4th
